ARGO

IMPORTANT
MESSAGE TO ARGO
STUDENTS

WE'RE BLASTING OFF WITH PICTURES
OF SCHOOL FRIENDS OLD AND NEW . . .
FROM ARGONAUTS TO ASTRONAUTS
THIS YEARBOOK COMES TO YOU.

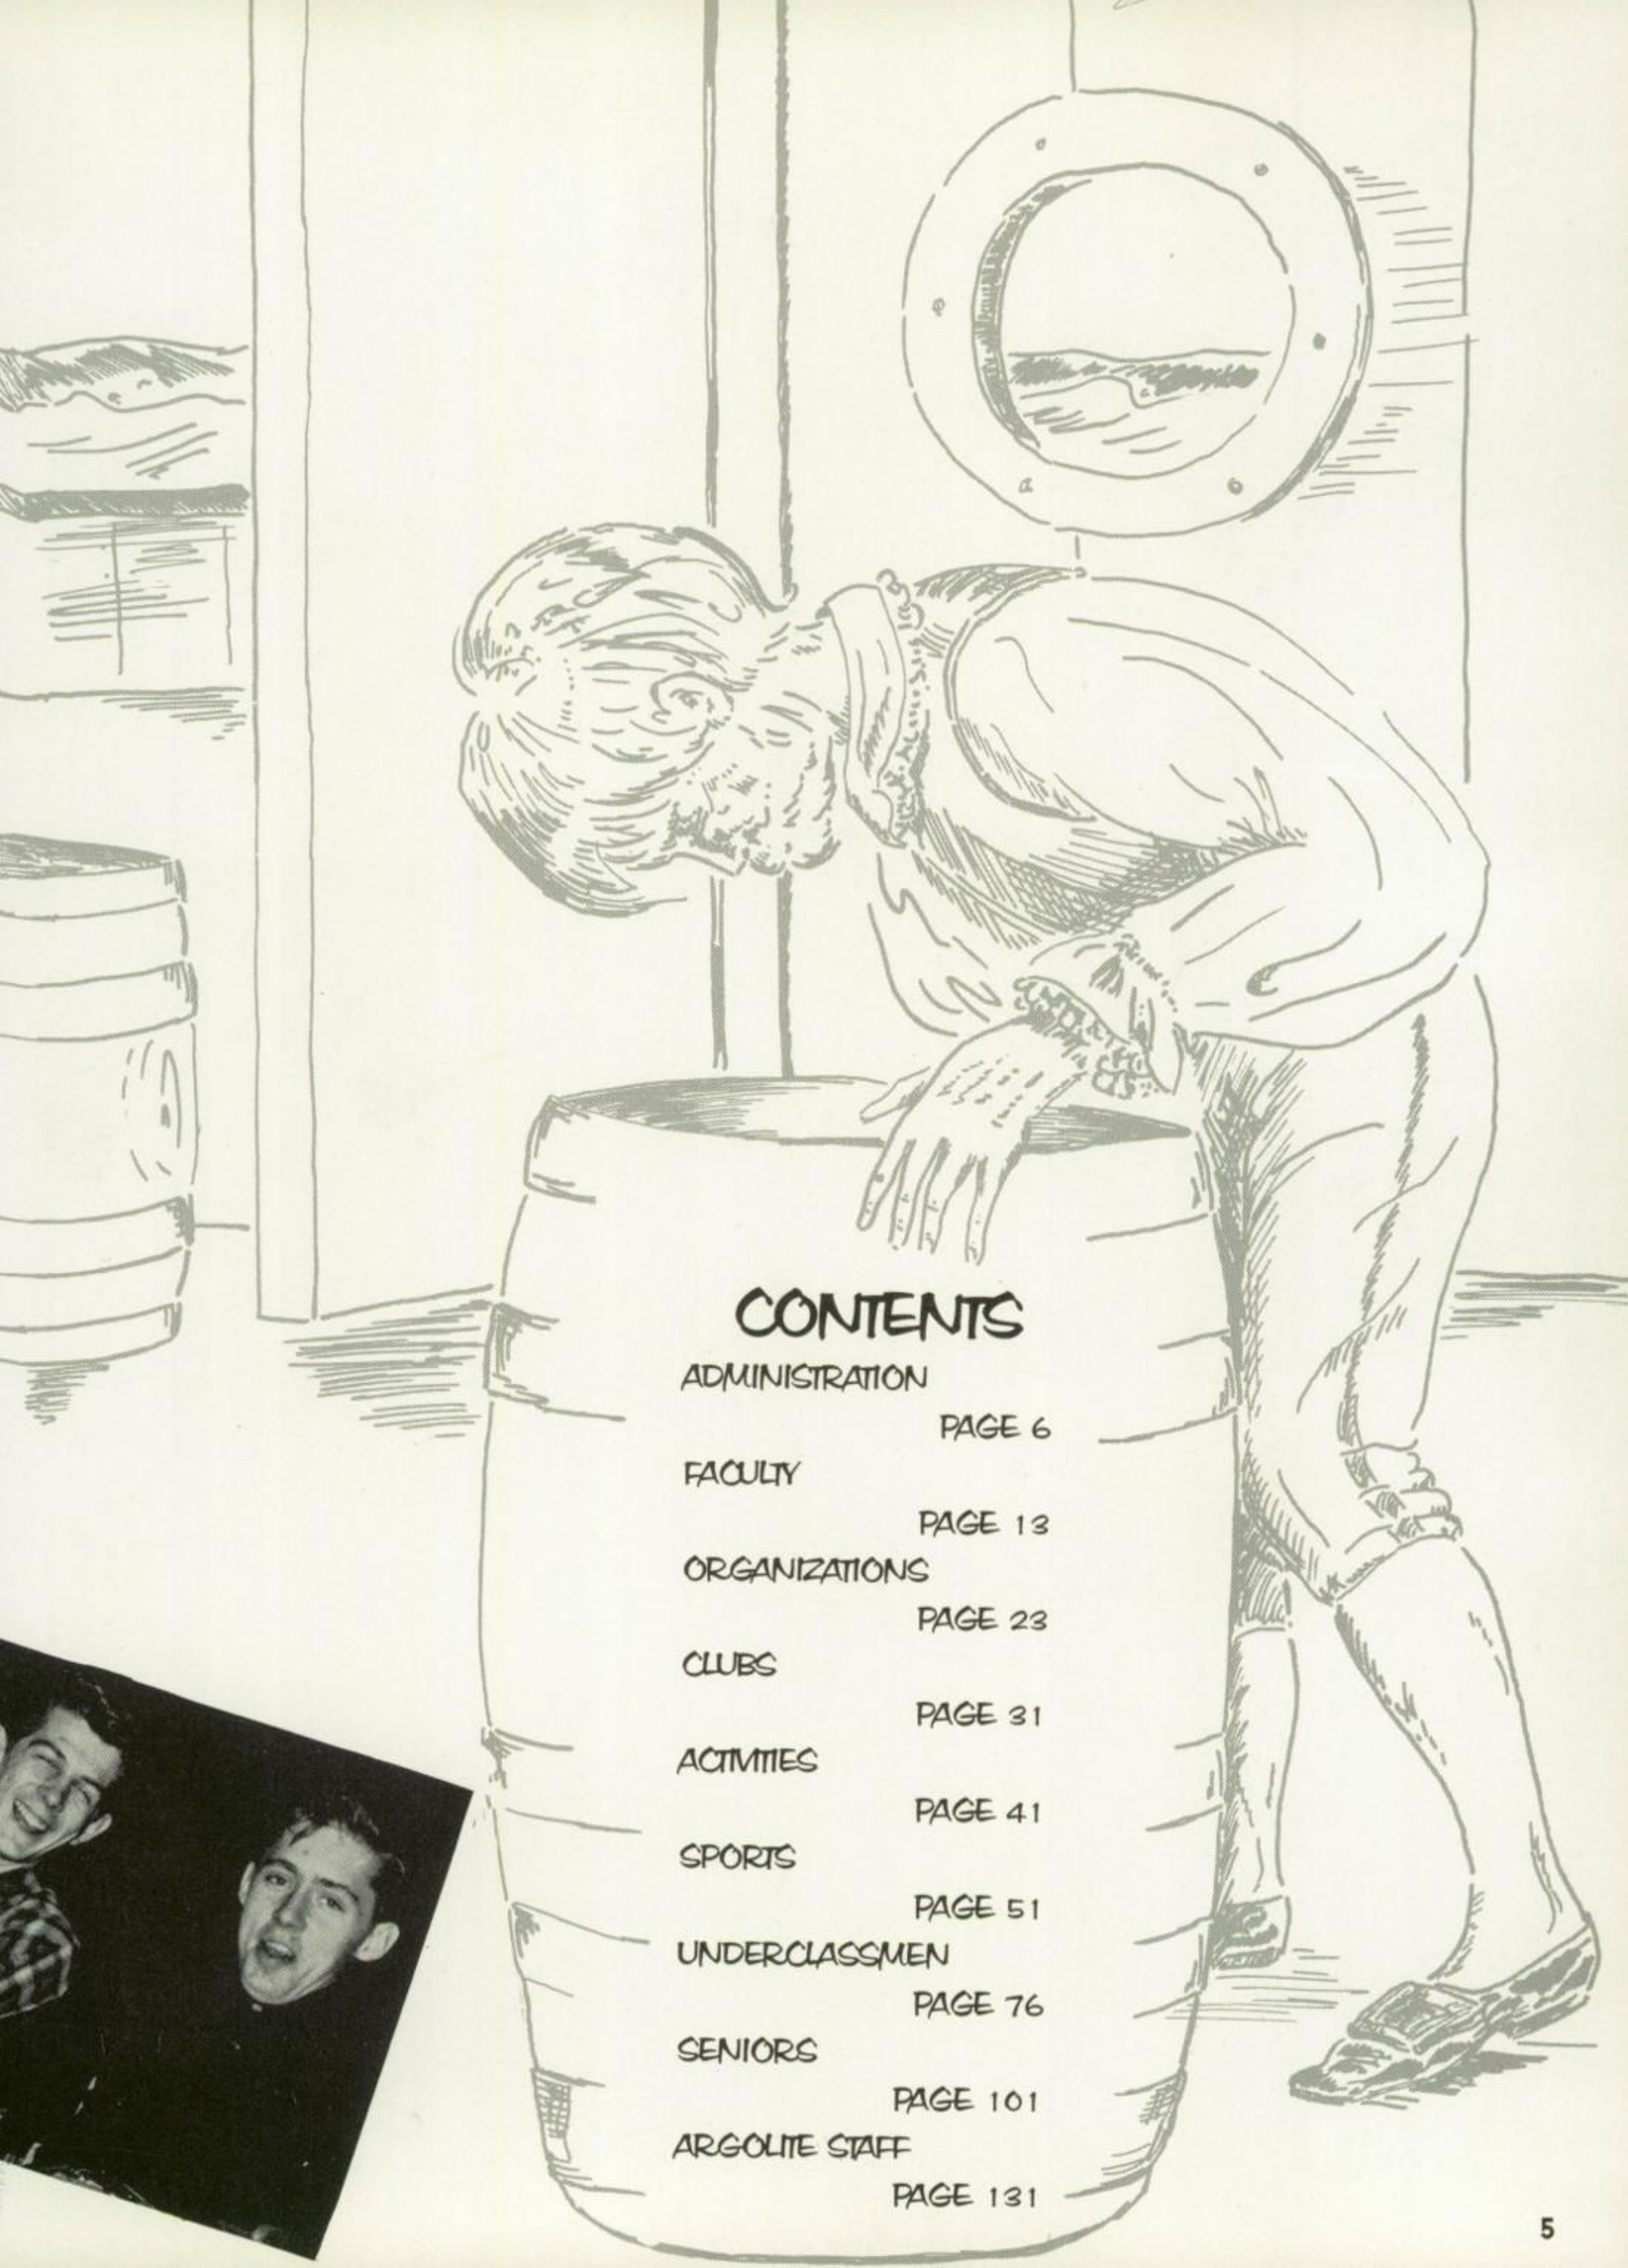

The schools of today and for many years back have helped make it possible for us to enjoy the highest standard of living the world has ever known. This achievement did not come about by accident. It came through the work and the curiosity and studies and the pursuing of excellence and the seeking after information by men down through the ages. A famous doctor challenges the youth of today by stating, even as we do, that it is our sincere hope that young people of today realize, that in spite of tremendous progress, there are many problems that remain yet to be solved—there is much work to be done, investigations to be made, knowledge to be gained. It is readily apparent that there are social, political, and economic problems on an international level which must be solved.

At first glance these problems seem to defy solution by anyone, but as men apply themselves and gather information, eventually the problems are solved. This is the history of mankind down through the ages. We would hope that our young people might one day contribute to the solution of some of these problems.

Now what can the students of Argo Community High do about all these problems? You can be one of those who seek information. This can be an attitude, a way of living throughout your life. You can be the very best person in all your relationships with your fellowmen.

We earnestly hope that you will contribute to the solution, not become part of the problem.

AN ORBITALE

"Headquarters to ARGO EXPLORER: Come in, Mr. Kusenda."

"A-Ok, Mrs. Perret. Did you receive the certification reports I submitted before the blast-off?"

"A-Ok, Mrs. Perret." Meanwhile the ship has landed, and the crew is leaving the rocket to explore a mystifying discovery; however, they are faced with a familiar structure. The Student Advisory Board, better known as the SAB, is one of the busiest ACHS. It is the heart of the school's social functions and legislation. Through it all dances and other proposals must be approved.

This year the SAB sponsored Argo's first "Gym-Jam" which was both successful and popular.

Working in conjunction with this legislative body are the class boards, or executive of school government.

CAMERA CLUB

Whenever you hear a camera click around school it is probably a Camera Club member taking pictures for the Argolite, Maroon, or for the hall showcases. The members develop and print their own pictures.

At their weekly meetings, under the supervision of Mr. W. Steinhoff, the members learn the art of taking good pictures, developing and printing them.

"Resolved:" That the Federal government should equalize educational opportunities by means of grants to the states for public elementary and secondary schools." This is the topic that is challenging the Argo Debate Squad this year. Thus far, the Argo team has debated against Proviso East, Proviso West, Morton West, Pekin, Mendota, Thornridge, Rich, East Peoria, La Grange, Prospect, and Carl Sandburg. The results of these debates have brought promising future for the Society. The debaters feel that not only are they learning of our system of government and learning to think on their feet, but they are also preparing for the future debates that life does hold.

SPANISH CLUB

Dancing Caballeros, gay Spanish costumes and pretty señoritas are just a few of the facts known to Spanish Club members. The club played many Spanish games and visited Spanish Restaurants during the school year. The members also sponsored a dance in January.

LATIN CLUB

The past year has been a very enjoyable one for the members of the Latin Club. At meetings games were played, contests were held, and various plays were put on by the members. All of the students who have taken at least one year of Latin are eligible to join. A good time is always expected when the club goes downtown to see movies about Roman life. This year one of the movies was "King of Kings." Everyone of the members of the Latin Club agrees that it is a club they wouldn't miss.

FUTURE NURSES

The Future Nurses Club was organized to enable members to learn about the various health careers, particularly nursing.

Various nursing schools send lecturers, films and provide hospital tours so that students may have the opportunity to judge whether or not they are really interested in a Health Career.

The Future Nurses Club has assisted in various service projects such as collecting for the Cancer Fund, Community Chest Fund, and making party boxes for Veterans Hospitals.

F.T.A.

The Future Teachers Club of Argo is one of the most active clubs here. This year the members attended various work shops, conferences, and other gatherings of The Future Teachers of America. They held a very successful dance after Argo's first football game.

At the end of the year each upperclass member is given the chance to teach for one day, either in the high school or in the Graves Elementary School. 1961-1962 proved to be a very profitable year for the busy Future Teachers.

F.H.A.

A national organization, the Future Homemakers of America strives to build better homemakers, promote international good will, provide wholesome individual and group recreation, and foster the development of creative leadership in the home and community.

The ACHS chapter, sponsored by Miss Judith Heffelfinger, participated in many activities which included an annual style show. The colorful costumes in the Senior Play were designed and made by the FHA.

The 1961-62 swimming season has proved to be very successful. Under the coaching of Mr. Frank Grabowski, the Varsity team, 1960 Frosh-Soph champions, put eight out of the eleven meets in the win column.

Thornridge served Argo the only conference loss in a very competitive meet.

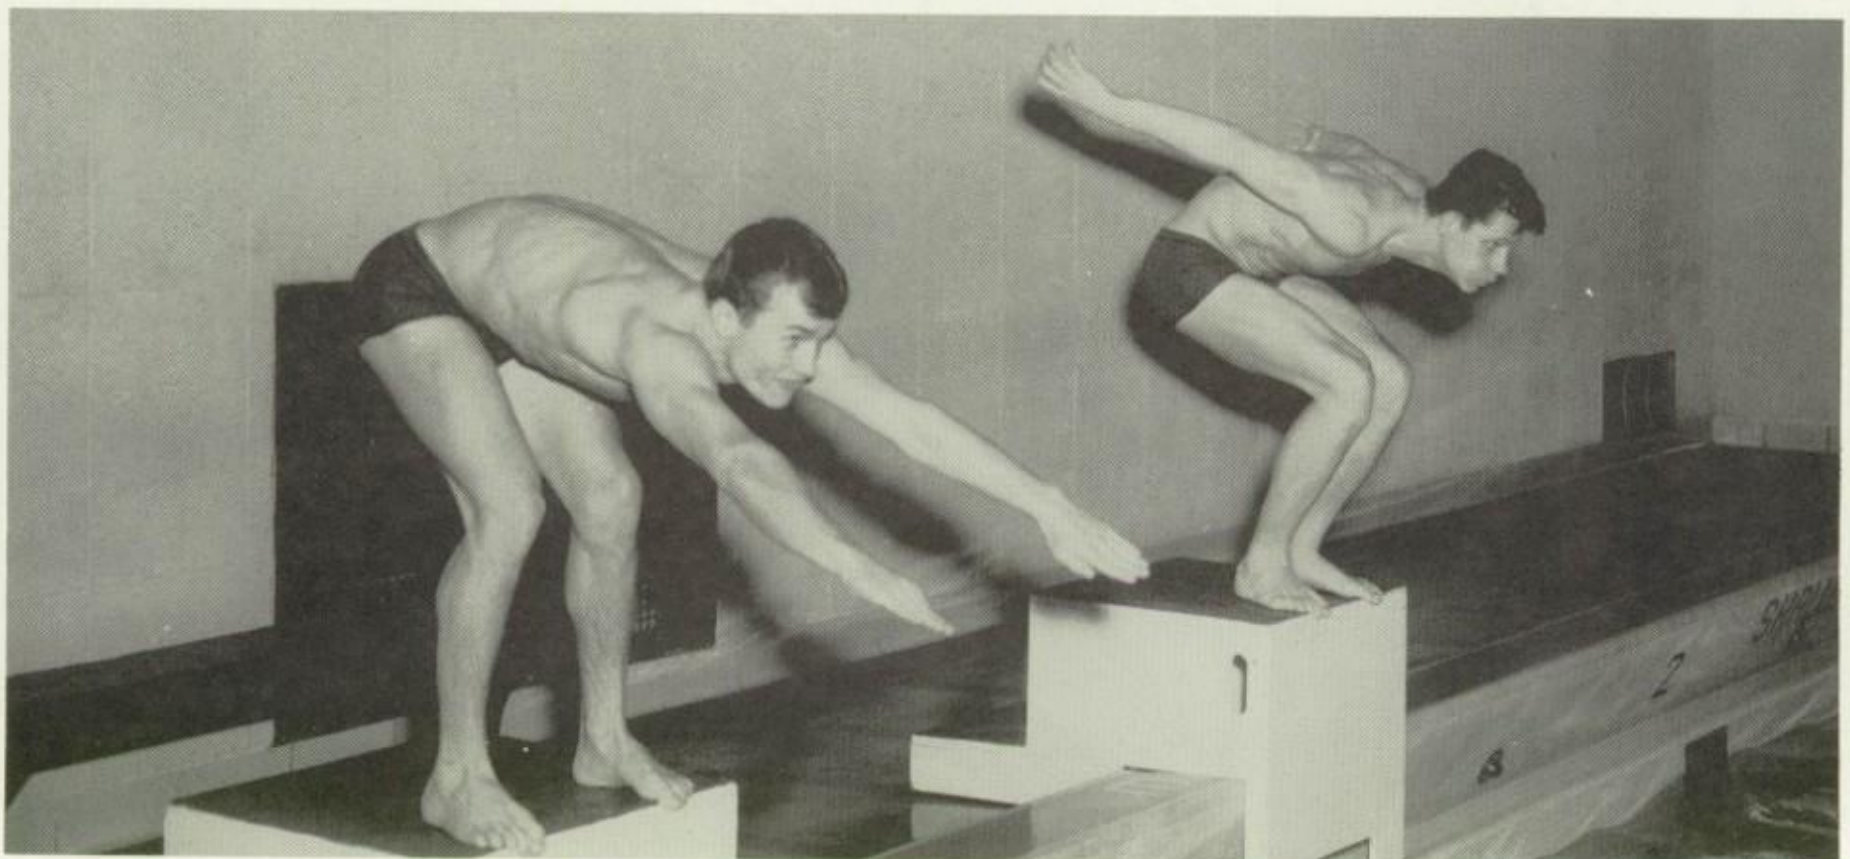

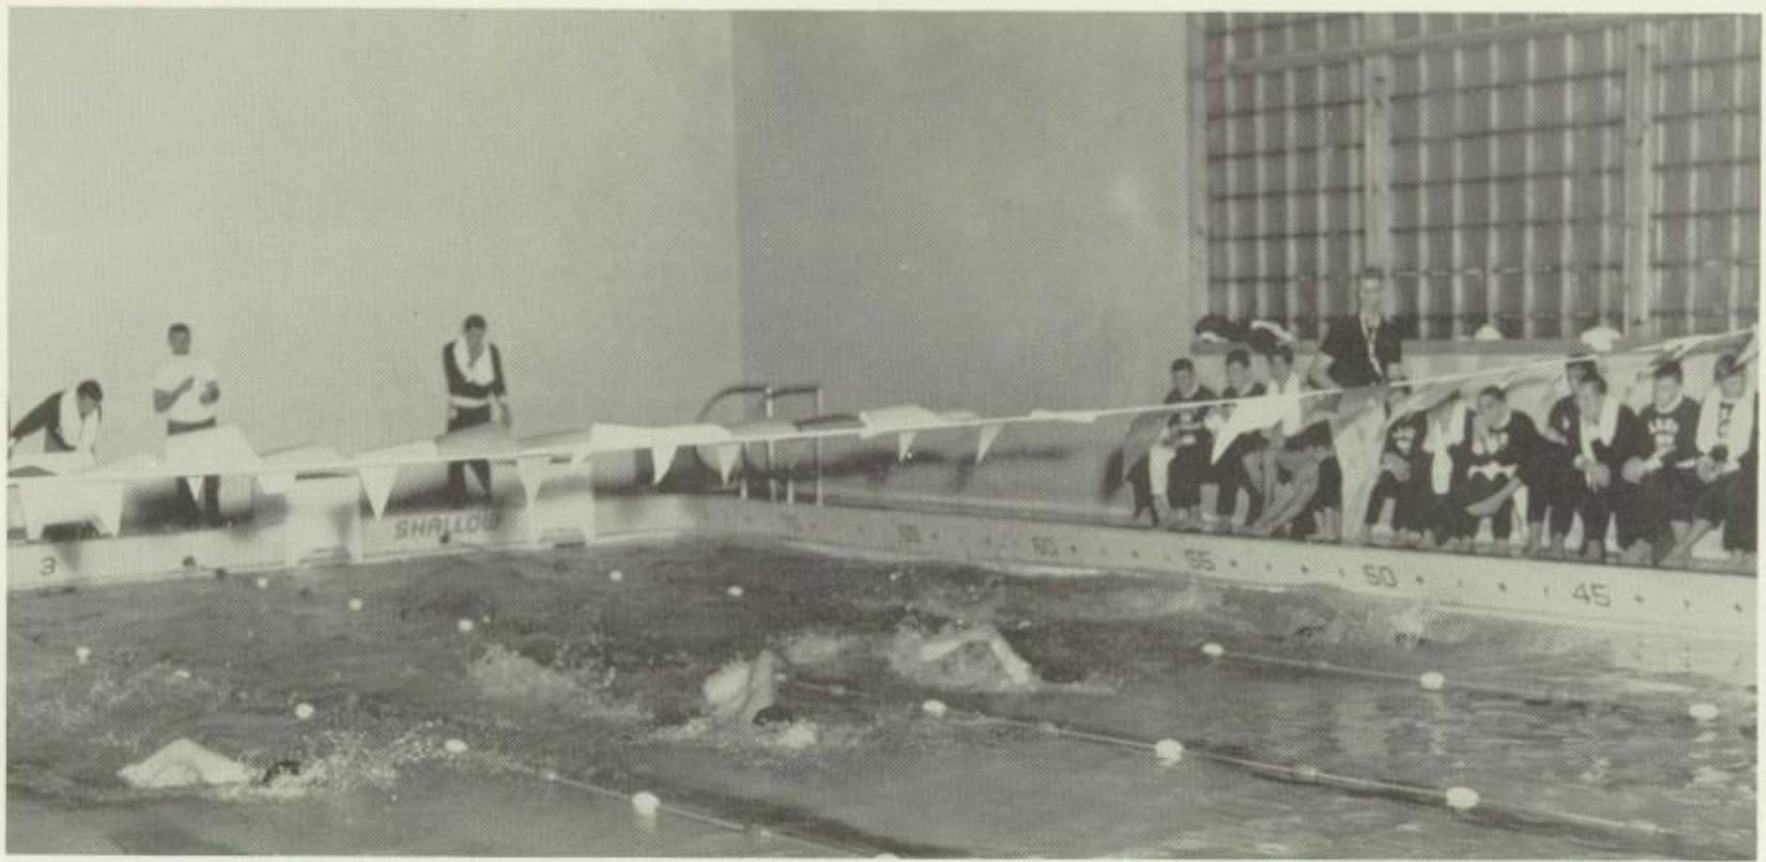

Two of the many highlights of the season were the Argo Varsity drowning Thornton for the first time in seventeen years and Mike Kunik qualifying for the district finals as Ron Pusco went to the state finals.

VARSITY WRESTLING

Wrestling, the fastest growing sport in high school, has just finished its second season at Argo. Argo's grapplers showed vast improvement and finished the season with a five win, seven loss record. The Varsity had its first Varsity Conference Champion in Larry Naylor. Argo has only one graduating senior on the team, Dwellie Colbert who finished the season with a perfect record in dual meets.

Argo's wrestlers look to a bright future with eleven Varsity underclassmen returning next year.

VARSITY TRACK

Ty Modiest, Bob Byrd and Al Hollingsworth were the outstanding players of the 1961 Varsity track team. Al Hollingsworth broke the school Shot Put record with a 51'0" throw and Ty Modiest, Willie Williams, Bill Parker, and Bob Byrd broke the school mile relay record with a time of 3:31.4. In the toughest meet of the season, Argo lost 35-83 to Kankakee.

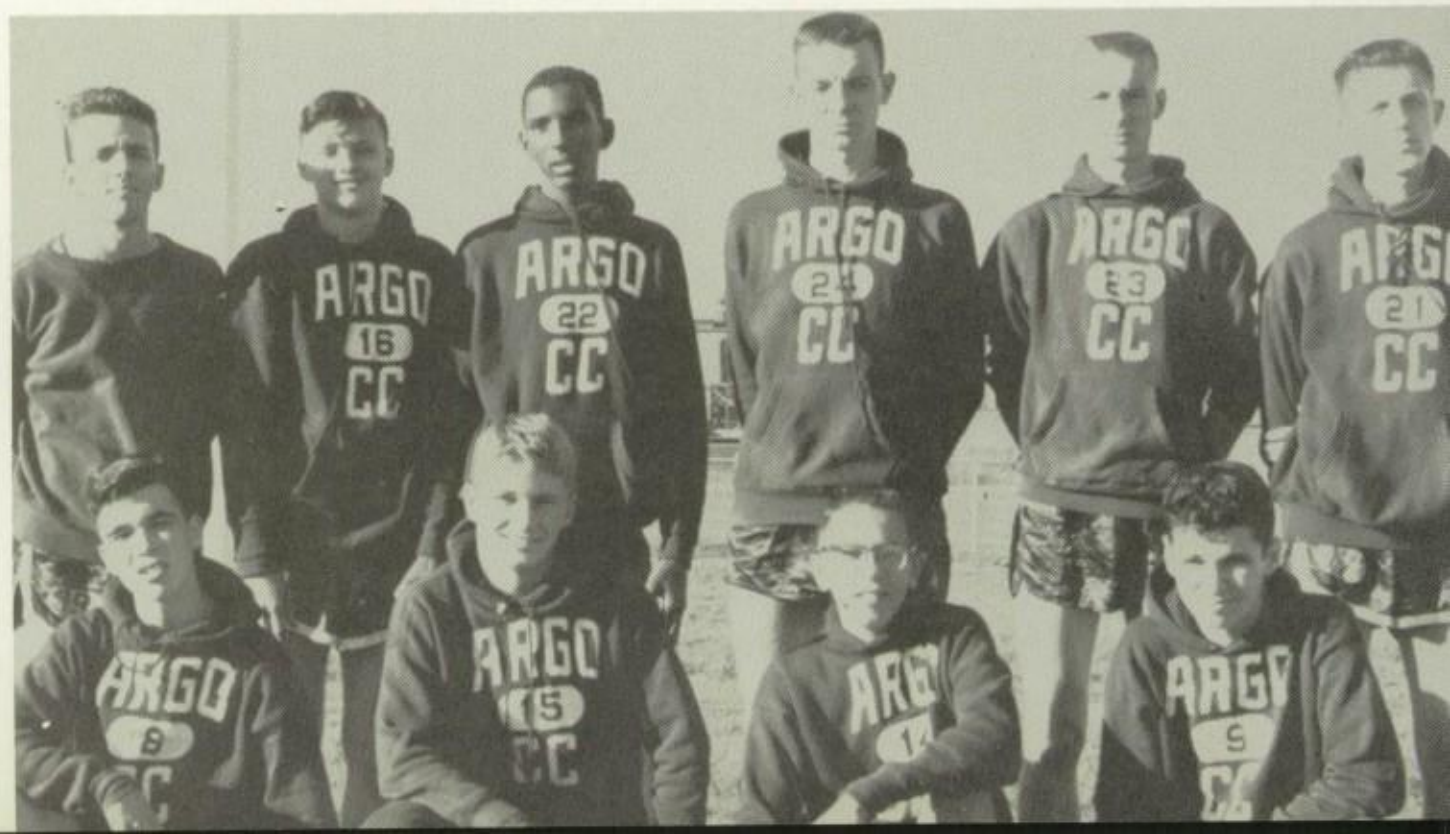

Coach Phil Tortorici says he hopes to develop depth in all the track events this year.

Argo's 1961 Varsity cross country team, only in its second year, did exceptionally well considering that they were running against boys with three or more year's experience. The worst disappointment was that they did not finish higher in League Meets. This year Coach Lyne hopes to improve the team with this year's Sophomores and Freshmen.

Argo's '61 varsity baseball team shared the Championship with Blue Island. Their best accomplishment was beating Thornton of Harvey, 8-7, and their worst disappointment was losing to Reavis, 0-1; however, later in the season Argo beat Reavis 7-5. This year the team plans to win another championship.

The defensive strength of the Sophomore team ought to be congratulated for helping the team survive the season. Bad luck held the team back and there were no supermen players to drive it away. Remember when Barry Cullison returned a kick-off 85 yards for a touchdown that was ruled null and void? Also remember the Kankakee game when we defeated the team 6-0 on a 3 yard plunge by Skip Kondry.

The Frosh football team can brag that the entire team played as a unit which certainly helped them battle their tough schedule. The roughest game was against Evergreen Park in which Agro lost by one point.

Coach Sam Tortorici said that he hopes these players will stay in the sport and help keep Argo football tough for other teams in the Conference.

Everyone around Argo, especially the Sophomore basketball team, was very disappointed after they lost the last five games of the season (before Argolite deadline) games that the team should have won. Injuries and lack of experienced players hindered performance on the court. Also Kenny Pryz and Jessie Cameron, top players, were moved to the Varsity squad during the middle of the season. Perhaps next year some of these Sophomore basketball players that will become part of Argo's varsity will use this year's experience to develop the varsity into a winning team.

And what is it to cease breathing,
but to free the breath from its
restless tides that it may rise

A Farewell Message to the 1962 Seniors:

It is an extreme pleasure and a respected honor for me, on behalf of the faculty, to recall with you through the pages of this year book, the many fine experiences we have mutually enjoyed in our associations during your high school career.

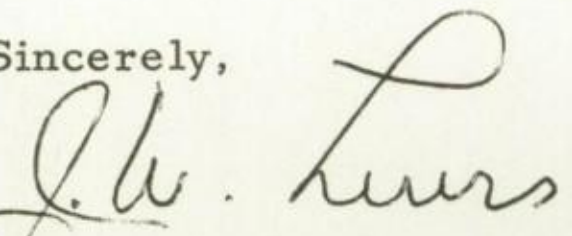

In the days to come, as you again turn the pages of this Argolite, it is our hope that you will remember with pleasant feelings the many fine accomplishments made at A. C. H. S. through the cooperative efforts of the members of your Class of '62.

The faculty and I are proud to have played a part in your educational development, and we wish you well in the adventures which lie before you.

We also hope for your continued strong interest in all phases of the A. C. H. S. program, and we invite you to visit with us whenever the opportunity arises.

We join in wishing for you a long future of good health and many successes. Good Luck.

Sincerely,

J. W. Lewis
